BlogTalkRadio brings Direct Access to the airwaves! Tune in on Tuesday April 14 at 8:00 central time to learn more about Direct Access to Physical Therapy. This legislation has been proposed in both Texas and California. It has significant effects on the consumer's right to choose, the consumer's access to care, and the cost of their care. This episode will discuss this important health care issue - what it is and how it affects you as a consumer of your health care.

I will have two special guests for this show: **Paul Hardin**, CAE, Executive Director of the [Texas Physical Therapy Association](http://www.tpta.org "Texas Physical Therapy Association") , and **Jerry Durham**, MPT, physical therapist and owner of [San Francisco Sport and Spine Physical Therapy](http://www.sfphysicaltherapy.com "San Francisco Sport and Spine Physical Therapy") .

The BlogTalkRadio call-in number is 646-929-1567. You can listen online at [http://www.blogtalkradio.com/abesselink](http://www.blogtalkradio.com/abesselink "BlogTalkRadio show: Direct Access to PT") and also download this and previous episodes here as well.

I look forward to having you join in on the discussion.
